**Please Note: If your dues is not paid by September 13th  
you will not be able to enter the Members Show.**

## **Important Please read and respond at the end of this paragraph:**

To improve the enjoyment of our monthly programs, for better hearing and better observance, we would like to line up all chairs in the front of our meeting room, closer to the presenter, like we used to and move the tables back. At the end of the program everything goes back just as we found it and we leave the place clean and orderly. We need your hands for that, please check one or both boxes below. Please help, the more help, the easier it will be for each

- Help with setting up meeting r.oom
- Help putting room in order again or help placing tables and chairs back in place

*For further information call Jennifer McGlynn, President 201-594-0095*
